RAJYA SABHA

mortality—sepsis, acute respiratory infections, diarrhoea, measles and malaria, all compounded by malnutrition. IMNCI shall be implemented throughout the country in a phased manner. In addition, thrust is being given to ensure institutional deliveries and train health personnel on essential newborn care so that skilled attendance at birth is available and all newborns receive specialized care. Efforts to deliver new born care, both facility based as well as home based, are being made. Micronutrient supplementation with Vitamin A, Iron Folic Acid and Zinc are being made. Infant and Young Child Nutrition are being stressed. Immunisation is one of the thrust areas of the ongoing Reproductive & Child Health Programme. The National Rural Health Mission, launched in April, 2005 for a period of 7 years (2005 to 2012) is an overarching intervention with a holistic approach and has envisaged reduction in Infant Mortality and Neonatal Mortality as one of the prime goals to be achieved.

Separate treatment facilities for CGHS beneficiaries

3290. SHRI JAI PRAKASH AGGARWAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the names of diseases for which separate treatment facilities have been provided for CGHS beneficiaries of Central Government in Government hospitals of Delhi including Safdarjung Hospital and Dr. Ram Manohar Lohia Hospital; and

(b) whether Government contemplates to formulate any scheme to provide separate treatment facilities under CGHS for all diseases to Central Government employees particularly in all Government hospitals of Delhi?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) In Dr. RML Hospital separate CGHS-OPD facilities are available in the Departments of Medicine and Surgery. In Safdarjung Hospital there is a separate CGHS Wing where O.P.D. facilities in the Department of Ophthalmology; Medicine, Surgery, Pediatrics, dental, dermatology, E.N.T., Obst. & Gynae. are available. There is no proposal for creating separate C.G.H.S. facilities in any other Central Government Hospitals of Delhi.
